

ABYC Marine Systems Certification – 2 Day Fast Track

Mar. 14 & 15, 2017 | Maine DEP | Augusta, ME

8:30 am – 5:00 pm

We are delighted to partner with ABYC to bring this important training opportunity to Maine once again. For complete details and registration please click [HERE](#). Please be sure to scroll down and read through the entire page. Changes have been made to the certification process that may affect you or your technician(s).

ABYC certification classes in other parts of the country have been filling quickly and many now have waiting lists. You are encouraged to register as soon as you can to ensure a seat in the class and to provide maximum study time. Upon receipt of your paid registration ABYC will send the appropriate study materials and provide access to webinars that will be of help in the study process.
